- 5.6. T. KOPP. „Wirkungen des Fairen Handels“. *Veranstaltungsdokumentation Fachgespräch "Wirkungen des Fairen Handels"*. Hrsg. von M. BLENDIN. 1. Aufl. Berlin: Forum Fairer Handel, 2017, S. 10–17.

CONFERENCE PRESENTATIONS

- 08/2021 Triennial conference of the International Association of Agricultural Economists (ICAE) in Delhi, India (presentation title: *Market Power and Risk Preferences in Contract Farming: Do Risk Affine Farmers Self-Select into Less Competitive Arrangements?*, poster title: *The Relation between Inequality, Meat Consumption, and the Environment: Trade-Offs in Pig Meat, Synergies in Beef and Poultry*)
- 06/2024 Biannual conference of the European Society for Ecological Economics (ESEE) in Pontevedra, Spain (presentation title: *The Relation between Inequality, Meat Consumption, and the Environment: Trade-Offs in the South, Synergies in the North*)
- 10/2023 Biannual conference of the International Society for Ecological Economics (ISEE) in Santa Marta, Colombia (presentation title: *The Consequences of Income Inequality for Human and Planetary Health*)
- 09/2023 Annual conference of the German Association for Agricultural Economics and Rural Sociology (GeWiSoLa) in Göttingen, Germany (presentation title: *The Effects of Inequality on Human and Planetary Health*)
- 07/2023 Triennial conference of the European Association of Agricultural Economists (EAAE) in Rennes, France (presentation title: *The Impact of Contract Type on Market Power: Evidence from a High-value Crop in India*)
- 07/2023 Annual conference of the Agricultural & Applied Economics Association (AAEA) in Washington D.C., USA (presentation title 1: *The Effects of Inequality on the Triple Burden of Malnutrition – are there Synergies or Trade-offs?*, presentation title 2: *Government-Supported Marketing Channels and Smallholders' Incomes: Evidence from Crop Producers in India*)
- 06/2023 'International Agricultural Trade, Geopolitics and Global Food Security': Leibnitz Institute of Agricultural Development in Transition Economies (IAMO) Forum in Halle, Germany (presentation title: *Inequality and Environmental Impact From Food Consumption - Can the two be Reduced Jointly?*)
- 10/2022 185th EAAE Seminar: Development Seminar for Agricultural Economists in Europe (AgEconMeet) in Göttingen, Germany (presentation title: *Income Inequality, Nutritional Quality, and the Environmental Impact from Food Consumption*)
- 08/2022 Annual conference of the Agricultural & Applied Economics Association (AAEA) in Anaheim, USA (presentation title 1, IAAE organized session: *Buyers' Market Power and Contracts in Agriculture - Evidence from a High-value Crop in India*, presentation title 2: *Inequality and Environmental Impact from Food Consumption - Can the Two Be Reduced Jointly?*)
- 06/2022 Biannual Conference of the European Society for Ecological Economics (ESEE) in Pisa, Italy (presentation title: *Don't Bite the Hand that Feeds You: The Cannibalization of Food Pantries on Grocery Retailers*)
- 08/2021 Triennial conference of the International Association of Agricultural Economists (ICAE) in Delhi, India (presentation title (online): *Don't Bite the Hand that Feeds You: The Cannibalization of Food Pantries on Grocery Retailers*)
- 08/2021 Annual conference of the Agricultural & Applied Economics Association (AAEA) in Austin, USA (presentation title 1 (online presentation): *Perishability, Contract Farming, and Market Power in a Low-Income Economy*, presentation title 2 (online poster presentation): *Don't Bite the Hand That Feeds You: Food Pantries and Food Retailer Profitability*)
- 07/2021 Triennial conference of the European Association of Agricultural Economists (EAAE) in Prague, Czech Republic (presentation title (online): *Perishability, Contract Farming, and Market Power in a Low-Income Economy*)
- 07/2021 Biannual Conference of the European Society for Ecological Economics (ESEE) in Manchester, UK (presentation title (online): *Don't Bite the Hand that Feeds You: The Cannibalization of Food Pantries on Grocery Retailers*)
- 09/2020 'Challenges for rural development - economic and social perspectives': GeWiSoLa Conference in Halle, Germany (presentation title (online): *Perishability, Bargaining Power, and Contract Farming: Evidence from Terai, Nepal*)

- 06/2020 'Digital transformation – towards sustainable food value chains in Eurasia': Leibnitz Institute of Agricultural Development in Transition Economies (IAMO) Forum in Halle, Germany (presentation title (online): *The net climate effect of digitalisation, differentiating between firms and households*)
- 02/2020 'Sustainable Food Systems - going beyond Food Security': International Symposium in Gießen, Germany (presentation title: *Perishability, Bargaining Power, and Contract Farming: Evidence from Terai, Nepal*)
- 09/2019 : 'Agriculture and Rural Areas in the Course of Societal Change': GeWiSoLa Conference in Braunschweig, Germany (presentation title: *Farmers, Traders, and Processors: Estimating the Welfare Loss from Double Marginalization for the Indonesian Rubber Sector*)
- 07/2019 Annual conference of the Agricultural & Applied Economics Association (AAEA) in Atlanta, USA (presentation title: *Farmers, Traders, and Processors: Estimating the Welfare Loss from Double Marginalization for the Indonesian Rubber Sector*)
- 06/2019 'Co-Creation - Making Ecological Economics Matter': 13th Conference of the European Society for Ecological Economics in Turku, Finland (presentation title 1: *The Climate Effect of Digitalization in Production and Consumption in OECD Countries*, presentation title 2: *Ecological Implications of Network Effects on Markets for Digital Services*)
- 06/2019 '6th international conference on ICT for Sustainability' in Lappeenranta, Finland (presentation title: *Digitalization and Environmental Throughput*)
- 06/2019 'Industrial Organization and the Food Industry' in Toulouse, France (presentation title: *Farmers, Traders, and Processors: Estimating the Welfare Loss from Double Marginalization for the Indonesian Rubber Sector*)
- 03/2019 Annual Meeting of the Agricultural Economics Society of Japan (AESJ) in Tokyo, Japan (presentation title: *A New Approach for Simulating Agricultural Trade Networks by Agent Based Modelling. Introducing RUBNET*)
- 09/2018 'Visions for an agriculture and food policy after 2020': GeWiSoLa Conference in Kiel, Germany (presentation title: *Can the South East Asian rubber conglomerate manipulate international rubber prices?*)
- 08/2018 'Dialogues in Turbulent times': 6th International Degrowth Conference for ecological sustainability and social equity in Malmö, Sweden (presentation title 1: *The macroeconomic environmental impacts of digitalization*; presentation title 2: *Trade-Offs between Social Equity and Reduced Biosphere Use*)
- 08/2018 Annual conference of the Agricultural & Applied Economics Association (AAEA) in Washington DC, USA (poster title 1: *Identifying Influential Traders by Agent Based Modelling*; poster title 2: *Can the South East Asian rubber conglomerate manipulate international rubber prices?*)
- 07/2018 Triennial conference of the International Association of Agricultural Economists (ICAE) in Vancouver, Canada (presentation title: *Identifying Influential Traders by Agent Based Modelling*)
- 06/2018 'Large-scale agriculture – for profit and society?': Leibnitz Institute of Agricultural Development in Transition Economies (IAMO) Forum in Halle, Germany (presentation title 1: *Estimating the Welfare Loss of Double Marginalization for Indonesian Rubber Production and Manufacturing*; presentation title 2: *Can the South East Asian Rubber Cartel Manipulate International Rubber Prices?*)
- 09/2017 'Towards Sustainable Agri-Food Systems: Balancing Between Markets And Society': Triennial conference of the European Association of Agricultural Economists (EAAE) in Parma, Italy (presentation title: *Bertrand Competition in Oligopsonistic Market Structures*)
- 09/2017 'Agrar- und Ernährungswirtschaft zwischen Ressourceneffizienz und gesellschaftlichen Erwartungen': GeWiSoLa Conference in Munich, Germany (presentation title: *Bertrand Competition in Oligopsonistic Market Structures: the Case of the Indonesian Rubber Processing Sector*)
- 06/2017 'Ecological Economics in Action: Building a Reflective and Inclusive Community': 12th Conference of the European Society for Ecological Economics in Budapest, Hungary (presentation title: *Do Mature Economies Grow Exponentially?*)
- 09/2016 'Agrar- und Ernährungswirtschaft: Regional vernetzt und global erfolgreich': GeWiSoLa Conference in Bonn, Germany
- 05/2016 'New Dimensions of Market Power and Bargaining in the Agro-Food System: Organisations, Policy and

Models?': EAAE Seminar in Gaeta, Italy

- 08/2015 'Agriculture in an Interconnected World': ICAE Triennial conference in Milan, Italy (presentation title: *Moving Rubber to a Better Place - and Extracting Rents from Credit-Constrained Farmers along the Way*, presentation by co-author)
- 05/2015 'Food in the Bio-Based Economy': Wageningen University, in Wageningen, The Netherlands (presentation title: *Moving Rubber to a Better Place - and Extracting Rents from Credit-Constrained Farmers along the Way*)
- 09/2014 'Agri-Food and Rural Innovations for Healthier Societies': EAAE Triennial conference in Ljubljana, Slovenia (presentation title: *Have Indonesian Rubber Processors Formed a Cartel? An Analysis of Intertemporal Marketing Margin Manipulation*)
- 06/2014 'The Rise of the Emerging Economies: Towards Functioning Agricultural Markets and Trade Relations?': IAMO Forum in Halle, Germany (presentation title: *Have Indonesian Rubber Processors Formed a Cartel? An Analysis of Intertemporal Marketing Margin Manipulation*)
- 08/2011 'International Research on Food Security, Natural Resource Management and Rural Development?': Tropentag in Bonn, Germany (poster title: *Preference Erosion: The Case of Everything but Arms and Sugar*)

Invited seminar talks

Date	Institution	Title
05/2023	The University of Göttingen, Department of Agricultural Economics and Rural Development (DARE)	The Consequences of Income Inequality for Human and Planetary Health
10/2022	BOKU Vienna, Institute of Sustainable Economic Development (FORLand Seminar)	Market Power in Agricultural Land Markets: Conceptual framework and possible empirical approaches
01/2022	Arizona State University, W. P. Morrison School of Agribusiness	Perishability, Contract Farming, and Market Power in a Low-Income Economy
04/2020	University of Siegen, Centre for Economic Education in Siegen	Double Marginalization in the Rubber Value Chain in Indonesia
09/2019	University of Gießen, Institute for Agricultural Policy and Market Research	Double Marginalization in the Rubber Value Chain in Indonesia
08/2019	Arizona State University, W. P. Morrison School of Agribusiness	Double Marginalization in the Rubber Value Chain in Indonesia
07/2019	University of Göttingen, DARE, Marketing for Food and Agricultural Products	(Post)growth economics and sustainability in the meat industry
01/2018	University of California, Davis, Department of Agricultural & Resource Economics	When Asymmetric Switching Costs Cause Market Power - The Case of the Indonesian Rubber Processing Sector
07/2018	University of Bonn, Institute for Food and Resource Economics	Identifying Influential Traders by Agent Based Modelling
06/2018	University of Kiel, Department of Agricultural Economics	When asymmetric switching costs cause market power: model and testing procedure
11/2017	University of Bonn, Institute for Food and Resource Economics	Bertrand Competition in Oligopsonistic Market Structures - the Case of the Indonesian Rubber Processing Sector
08/2017	University of Ghent, U4 Summer School on Energy, Sustainability and Society	Certification in Order to Secure Sustainability at the Example of Oil Palm in Indonesia
12/2014	University of Göttingen, DARE, Agribusiness	Fair Trade: Origin, Certification, Effects on Producers
06/2013	University of Göttingen, DARE	Workshop on How to Write a MA Thesis, Avoiding Plagiarism
09/2012	University of Jambi, Agricultural Economics English Club	Introduction to Doing Field Research
